

SHOOTING PALMER

OFFICE SPACE meets ED WOOD meets SILICON VALLEY

GENRE: A Female-powered comedy about spiritual connectedness in our technology driven world.

LOG LINE: One woman's quest to follow her dreams while working a soul sucking job at a tech giant leads her to desperate questionable acts which spiral into corporate espionage and the trip of her life down the rabbit hole into "virtual spirituality".

SYNOPSIS: *SHOOTING PALMER* is a female powered comedy about spiritual connectedness in our technology driven world. Samantha (Sam) spends endless hours directing mind numbing corporate videos at Elitecloud, an internet giant. While Shooting CEO Dick Palmer's company wide address, Sam suffers a humiliating sexual harassment scandal. When she is offered a promotion in exchange for keeping quiet, Sam is tasked with shooting the launch video for the YouConnect -- Elitecloud's most sacred new

virtual reality device. Fed up, Sam leverages the YouConnect shoot as cover for her own independent film production. Enlisting her rag tag crew as well as her own crazy family, Sam breaks every rule and even the law to get her own film made. Sam gets more than she bargained for when she discovers that the YouConnect has mystical powers that force her to confront her own worse enemy...herself.
